The main house is a charming ranch style dwelling, welcoming you with a bright turquoise door and trim. Inside, the spacious living area flows seamlessly from the front door to the back, perfect for socializing and connecting with your group.

The open kitchen awaits you at the end of the living area, featuring crisp white cabinets and stainless steel appliances with pops of color on the pantry door and dishware. This well-equipped kitchen is sure to be the heart of your gathering, ideal for preparing everything from morning coffee to refreshing afternoon drinks. A convenient laundry room is located nearby.

For a restful retreat, the master bedroom offers a luxurious king-size bed and a private ensuite bathroom. Another bedroom boasts two comfortable queen-size beds and a built-in full-over-full bunk bed, perfect for families. Walking past the kitchen, you'll find two bedrooms. The bedroom on the right has a King bed with a TV, and the bedroom on the left has a queen bed as well as the washing machine and dryer.

Stepping outside, you'll find a great sized pool and wraparound deck, perfect for your family and friends. Behind the pool is a spacious guest house with a charming kitchenette and bar seating across the cobblestone patio. The living area is infused with cheerfulness thanks to a colorful shiplap accent wall, and is equipped with a comfortable pull-out sofa and a flat-screen TV. Behind the living area lies a queen-size bedroom and a full bathroom with a step-in shower. A wooden patio between the main house and guest house offers a perfect spot for sunbathing, grilling, and enjoying meals together.

Galveston Beach Lodge's unique layout, with two connected homes on one level, is ideal for large groups and families with diverse needs, providing comfortable sleeping arrangements for in-laws, grandparents, or older children. Additionally, its prime location, steps away from the Seawall, allows for easy access to restaurants, the beach, and other attractions. Whether you prefer a leisurely stroll, a bike ride, or a quick drive, Galveston Beach Lodge is the perfect launching point for your unforgettable Texas Gulf Coast getaway.

Initially had concerns of neighborhood but it was really fine. Location worked for what we needed. Considering how many the home sleeps theres Not enough seating in kitchen or living room. Floors could use a real good cleaning! The furniture isn't comfortable. A few of the beds need better...
