This spacious 6-bedroom Galveston beach house provides the perfect setting for families and friends. Stroll to the nearby beach for some sun and sand. Unwind by the backyard firepit after a day of exploration. Enjoy movie nights in one of the two cozy living areas. Catering is a breeze with two fully-equipped kitchens, perfect for large groups or those with different dietary needs. Finally, soak up the refreshing ocean air on one of the two large patios, each offering a relaxing spot to unwind.

- **WINTER TEXAN RATE:** Escape to the Texas Gulf Coast this winter! Ask about our reduced monthly rates October 1 - March 1.
- **Location:** Bermuda Beach community of Galveston, Texas
- **Beach access:** Quick 2 minute drive from the Bermuda Beach community access point.
- **Rent BeachBox:** Beach gear rentals are available! Ask us for details and rates.
- **WIFI/Cable:** We provide free high-speed WIFI and Roku with access to Sling TV for live television channels. Guests are welcome to log into their own streaming service apps.

Picture this: you enter Bermuda Rose and sunshine spills across the open living space on the first floor. A comfy wraparound couch beckons for movie nights or lazy afternoons after a day at the beach. The flat-screen TV is right there, ready for your favorite shows. Just steps away, the dining table seamlessly flows into a bar area, perfect for grabbing drinks before heading into the fully-equipped kitchen to whip up a delicious meal.

This floor is all about convenience and rest. One bedroom has a king bed and a twin bunk, ideal for families with younger kids. Another has a queen bed, perfect for a couple. A third room features three sets of bunk beds, making it a slumber party haven for the little ones. Finally, a queen bedroom with a double-over-double bunk offers

additional sleeping space.

Head upstairs for even more space to spread out! Two bedrooms offer king beds, with one including a double-over-double bunk for extra sleeping room. A second living area with a full kitchen and dining area lets everyone unwind and enjoy some downtime.

This flexible layout is perfect for families or even two families vacationing together. Everyone can have their own space to relax, but come together for meals and game nights.

Step outside onto one of the two expansive patios and breathe in the refreshing ocean air. Ample seating lets you soak up the sun, enjoy a cool drink, or simply unwind after a day of building sandcastles or exploring the beach.

Looking for some indoor fun? Head downstairs to the game room, where darts, arcade games, and a flat-screen TV await. In the backyard, gather around the inviting fire pit and share stories under the stars. Also, this home includes a ramp allowing easy access to the first floor, making this home comfortable for everyone.
